

2008 January > Playing Santa for Mom and Dad

The St. Catharines Jaycees served breakfast to a host of seniors on December 1st at the Dunlop Community Center. In addition, gift cards were distributed to sixty kids in the Big Brothers/Big Sisters system. This enabled each child to go shopping with their Big Brother/Big Sister to purchase a holiday gift for their Mom and/or Dad giving them the opportunity to realize the true meaning of Christmas. After purchasing the gifts they were invited back to the community center where the seniors helped wrap their gifts and they all enjoyed a warm and delicious breakfast with "Jolly ol' Saint Nick". Thank you to the St. Catharines Jaycees.
